

## **CART USE POLICY**

### **CART USE:**

Only two (2) adults and two (2) children under the age of five (5) years can ride in a cart on the golf course. Under no circumstances are riders allowed on the back of a golf cart.

Members are allowed to house their golf carts in cart sheds on course premises. See "Cart Shed Policy" concerning payment/transfer/relinquishment of cart spaces.

All carts stored at the course must be in a cart shed.

### **OFF-COURSE TRAIL FEES FOR CARTS:**

Carts that are housed off course will pay a yearly trail fee in accordance with the current fee schedule.

### **MEMBER LIABILITY FOR CART AND USE OF CART ON COURSE:**

High Plains Recreation Association, Inc., and the Indian Hills Golf Course (hereinafter collectively called the "Course") are not responsible for personal golf carts or items.

Upon payment of a membership and cart shed rental fee and execution of the Member Data Sheet and Acknowledgement, a member is acknowledging that only the member, and not the Course, is liable for acts and omissions that may cause personal injuries to any person or damage to any personal property arising from the operation and/or storage of the member's golf cart. Further, the member agrees to indemnify and hold the Course, its agents and employees harmless from damage, claims, actions, liability and expenses arising from or in connection with the use of personal carts on the Course property and while in the golf cart sheds. Additionally, the member agrees to abide by the cart rules as established by the Course.

Many insurance companies offer individual policies or riders to farmer's policies or homeowner's policies that may be sufficient to cover liability and physical damage regarding a member's cart and personal equipment.
