

Men's Golf League

Tees- Age 65 and Over play from the Gold Tees, all others play from the White Tees.

To play in the league, you must have an Indian Hills club membership and be paid-up with any mandatory assessments, this also applies to substitutes.

Matches are scheduled on Thursday and should be played on that day unless other arrangements are agreed to. If your team shows up to play on Thursday and there is no contact with the team you are playing, the team that made the effort to show up will be awarded all 3 points. To be current for the following week, matches need to be completed by the Tuesday following a scheduled match. (Let league director know if other arrangements need to be made). If you cannot coordinate a make-up match by the following Tuesday, and have made an effort to do so, split points may be awarded to each team.

If you miss 5 matches as a team, total season points are forfeited.

In the morning league, at least one of the team members must be 50 years of age or older, this applies even if a substitute is playing. Other leagues, the minimum age is 18 unless okayed by the league director.

Pin prizes can be played for only if match is played on the original scheduled date.

No team can be comprised of 2 substitutes, meaning at least one member of the original team must be present.

When it comes to stroke control through conceding strokes, the person who is having the stroke conceded to them doesn't have to take the "gimmie" unless it's for a bogey or more.

If a rain delay occurs, continue from the last hole completed, unless otherwise agreed upon. If a rain-out occurs, play will resume on another day as of the last hole completed, unless otherwise agreed. Splitting points as a result of a rain-out is allowed if agreed upon by all players and the director is notified of such.

If it is determined that play cannot occur due to weather, the entire day of league will be canceled. We will try to work the matches in at the end of season. This decision will be made as early as possible.

If there is a tie at the season's end, the team receiving the fewest forfeit or gratuitous split points (those not affirmed league wide) will place higher.

If a hole-in-one is scored as part of a legitimate match and on a scheduled league day (Thursday), \$50 will be paid by the league.

Assumed start times unless otherwise agreed upon:

Morning league = 8:00 A.M. with finish by noon.

Afternoon leagues = 1:00 P.M. with finish by 4:30 P.M.

Evening leagues = 5:00 P.M. with no scheduled finish time.

****If you can't be at the course within 15 minutes of a scheduled start time, call the opponent as soon as possible so they can plan accordingly.**

****If no other arrangements were made, you can assume a forfeit if your opponents haven't arrived or notified you by 40 minutes after the above suggested start times.**
